Re: Patent No. 6,924,413 ✓

Dear Sir:

Thank you for accepting all of AAVS's (American Anti-Vivisection Society) proposed rejections of the rabbit patent, no. 6,924,413. However, I am opposed to the USPTO's practice of issuing patents on animals. I hope the Office will consider changing its policy in the near future. Thank you.

Yours truly,

Marjorie Hass
